To: The holders of Options granted under the Global SAYE who are resident in Brazil, Croatia, Denmark, Mexico, Norway, Poland or Sweden ("**Participants**")

26 June 2023

Dear Participant

Recommended cash acquisition of Dechra Pharmaceuticals PLC ("Dechra") by Freya Bidco Limited ("Bidco") (a newly formed company to be indirectly owned by (i) EQT X EUR SCSp and EQT X USD SCSp, each acting through its manager (Gérant) EQT Fund Management S.à r.l., and (ii) Luxinva S.A.)

As you know, Dechra and Bidco announced on 2 June 2023 that they had agreed the terms and conditions of a recommended cash acquisition of the entire issued, and to be issued, share capital of Dechra by Bidco. In this letter, this is referred to as the "**Acquisition**".

You are receiving this Letter because you hold an option granted under the Global SAYE on 12 October 2022 with an exercise price of £27.62 per Dechra Share (your "**Option**").

This Letter tells you about the impact of the Acquisition on your Option, the choices you have, assuming the Acquisition proceeds, and what you need to do. **Once you have made your choice, you will not be able to change it.**

If you also hold an option granted under the Global SAYE on 13 October 2021 with an exercise price of £44.93 per Dechra Share, this option is underwater. This means that you would have to pay more to exercise such option than the value of the Dechra Shares you would receive on exercise. Accordingly, this option will lapse following completion of the Acquisition.

In the Appendix to this Letter you will find further details regarding the Acquisition, including the anticipated timetable, as well as a definitions section which explains the key defined terms used in this Letter.

A copy of this Letter can also be found on Dechra's website at www.dechra.com/investors/cash-offer. This **Letter should be read together with the Scheme Document**, a copy of which is also available on the same Dechra website.

Proposal

Bidco is required by the Takeover Code to make an "appropriate proposal" to holders of options (including your Option) to safeguard their interests in the context of the Acquisition.

The **proposal** is that you exercise your Option on Court Sanction (to the extent you have accumulated savings under your savings contract on that date) and receive £38.75 for each Dechra Share acquired on exercise (which is what Dechra Shareholders will receive for each of their Dechra Shares under the

Scheme) (the "**Consideration**"). You will also receive a Compensatory Payment (please see further details contained in the Appendix to this Letter).

Please note that if any dividend, distribution and/or return of value is proposed, authorised, declared, made or paid by Dechra (or becomes payable) in respect of Dechra Shares, Bidco reserves the right to reduce the Consideration by the amount of any such dividend, distribution and/or other return of value.

How to accept the proposal

Please read this Letter, together with the Appendix, in full.

If you then wish to accept the proposal to exercise your Option on Court Sanction to the maximum extent possible, you can do so by submitting an instruction to exercise it via the Share Scheme Portal **no later than 11.00 p.m. UK time on Thursday 31 August 2023.**

Your instruction will be subject to the Terms and Conditions published on the Share Scheme Portal.

You can access the Share Scheme Portal at www.DechraShareSchemes.com.

Details of your choices to exercise your Option at other times are set out in this Letter.

If you do nothing, your Option will ultimately lapse and you will receive no value for it.

Recommendation

The Dechra Directors, who have been so advised by Investec as to the financial terms of the proposal set out in this Letter, consider the terms of such proposal to be fair and reasonable in the context of the Acquisition. In providing its advice to the Dechra Directors, Investec has taken into account the commercial assessments of the Dechra Directors. Investec is providing independent financial advice to the Dechra Directors for the purposes of Rule 15.2 of the Takeover Code.

THE DECHRA DIRECTORS RECOMMEND THAT YOU ACCEPT THE PROPOSAL AS SET OUT IN THIS LETTER AND EXERCISE YOUR OPTION ON COURT SANCTION. You should consider your own personal circumstances, including your tax position, when deciding whether to accept the proposal and your preferred timing for exercising your Option.

Questions

If you have any questions on the contents of this Letter, please contact Melanie Hall, Company Secretary via email at companysecretarial@dechra.com but please be aware that no legal, tax, financial

or investment advice on the Acquisition, the Global SAYE and/or your choices can be provided by Dechra or Bidco.

APPENDIX

SECTION 1. IMPACT OF THE ACQUISITION ON YOUR OPTION

1. When can I exercise my Option?

You may not normally exercise your Option until the end of your relevant savings contract.

As a result of the Acquisition, your Option will become exercisable early (unless it has already lapsed or become exercisable under the rules of the Global SAYE). However, your Option will only be exercisable to the extent of the savings you have accumulated under your savings contract up until the date of exercise.

If your savings are made in a currency other than GBP and, when converted into GBP to exercise your Option, they are less than they would be if the prevailing exchange rates at the time of exercise were the same as the Invitation Exchange Rate (as defined in the rules of the Global SAYE), you will be deemed to have contributed additional savings equal in value to the amount of such shortfall ("**Top-up**").

Your Option will be exercisable from Court Sanction (unless it becomes exercisable earlier under the rules of the Global SAYE) until six months after Court Sanction, after which it will lapse (unless it lapses earlier under the rules of the Global SAYE). If your Option is not exercised by this deadline, it will lapse. If you are resident in Mexico (and your savings are therefore held in trust), your savings will be returned to you.

You may continue to make monthly savings contributions until you exercise your Option.

2. What is the proposal and how do I accept it?

If you do nothing, your Option will ultimately lapse and you will receive no value for it.

If you accept the proposal to exercise your Option on Court Sanction (to the extent you have accumulated savings under your savings contract on that date), each of the Dechra Shares you receive on exercise of your Option will be bought automatically by Bidco as part of the Acquisition. You will receive the Consideration of £38.75 for each Dechra Share you hold (subject to any adjustment provided for under the Scheme and the deductions mentioned below). You will also receive the Compensatory Payment explained in paragraph 3 below.

The exercise price payable in respect of your Option (being equal to your accrued savings plus any Top-up) will be deducted automatically from the Consideration payable to you. However, please note that you must continue to make and to maintain your savings until your Option is exercised. If you fail to do so, your Option will lapse and you will receive no value for it.

Any tax and employee social security contributions that the Dechra Group is required to withhold will also be deducted from the cash proceeds paid to you and paid to the relevant tax authority and you will receive the net proceeds via payroll (see paragraphs 6 and 10 below).

To accept the proposal to exercise your Option on Court Sanction (to the extent you have accumulated savings under your savings contract on that date) and to receive the Compensatory Payment, please submit an instruction to exercise it via the Share Scheme Portal **no later than 11.00 p.m. UK time on Thursday 31 August 2023**.

You can access the online portal at www.DechraShareSchemes.com.

Please note that your instruction is conditional on Court Sanction. See Section 2 of this Appendix for further details on the conditions that have to be met before Court Sanction takes place and the anticipated timetable of events.

3. **Compensatory Payment**

Bidco has agreed that if you exercise your Option on Court Sanction, it will make you a cash payment (the "**Compensatory Payment**") to compensate you for the curtailment of your savings contract.

The amount of the Compensatory Payment will be equal to the additional profit that you would receive if you were to continue to make savings contributions under your savings contract for a period of six months following Court Sanction and to exercise your Option at the end of this period.

The Compensatory Payment will be subject to income tax and social security contributions.

4. **Can I exercise my Option after Court Sanction?**

Your Option will continue to be exercisable for a period of six months after Court Sanction, after which it will lapse (unless it lapses earlier under the rules of the Global SAYE).

*Please note if you want to wait to exercise your Option after the Court Sanction you will need to remember to take further action after Court Sanction and your Option will **ultimately lapse** if you do not do so. **If you instead want to take action now to ensure your Option is exercised at the time of Court Sanction please refer to paragraph 2 above and accept the proposal.***

If you elect to exercise your Option in the six month period after the Court Sanction, each of the Dechra Shares you receive on exercise will be bought automatically by Bidco. You will receive £38.75 for each Dechra Share (subject to any adjustment provided for under the Scheme and the deductions mentioned below).

If you exercise your Option after Court Sanction, **you will not be entitled to receive the Compensatory Payment**. This means you would still receive the same cash consideration (as long as you continue to make savings during this period), but **you will receive payment much later than exercising on Court Sanction by accepting the proposal**.

Any tax and employee social security contributions that the Dechra Group is required to withhold will be deducted from the cash proceeds paid to you and paid to the relevant tax authority and you will receive the net proceeds via payroll (see paragraphs 6 and 10 below).

If you elect to exercise your Option in the six month period after Court Sanction, you do not have to do anything until after the date of Court Sanction. When you are ready to exercise, you will need to submit an instruction to exercise your Option via the online portal or (if the online portal ceases to be available) by submitting a paper exercise instruction.

If you do not submit an instruction to exercise your Option so that your exercise instruction is received in time to be processed within the six month period after Court Sanction, your Option will lapse (unless it lapses earlier under the rules of the Global SAYE) and **you will receive no value for it**. If you are resident in Mexico (and your savings are therefore held in trust), your savings will be returned to you.

5. Can I exercise my Option in full?

You may only exercise an Option to the extent of the savings you have made under your related savings contract as at the date on which the exercise of your Option takes effect. Therefore, if exercise takes place in connection with the Acquisition before the end of your original savings period, you will not be able to exercise your Option in full.

6. If the Acquisition proceeds, when will I receive my cash payments after I exercise my Option?

If you accept the proposal to exercise your Option on Court Sanction:

If the Acquisition goes ahead, the cash consideration will be payable by Bidco within 14 days of the Acquisition completing. This consideration will be received on your behalf and then paid to you (less deductions for any income tax and employee social security contributions that the Dechra Group is required to withhold, together with the exercise price payable on exercise of the Option) through the next practicable payroll after the cash consideration has been despatched by Bidco together with your Compensatory Payment.

You will receive payment(s) in your payroll currency and, if different from GBP, payment(s) will be converted to your payroll currency at the exchange rate selected by Dechra on or around the date of payment.

If you exercise your Option after Court Sanction:

The same process as exercising your Option on Court Sanction will apply if you exercise your Option after Court Sanction, save that your Option will be exercised, and the cash consideration (less deductions for any income tax and employee social security contributions, together with the exercise price payable on exercise of the Option) will be despatched to you, at a later time. You will not be entitled to the Compensatory Payment.

7. Can I change my mind?

Once you have given your instruction via the online portal, this is considered to be your binding decision. However, if you choose to withdraw your savings before the exercise of your Option takes effect (or your Option otherwise lapses under the rules of the Global SAYE), your instruction will be of no effect and your Option will lapse.

8. What happens under the other Dechra Share Plans?

If you hold other awards or options under the Dechra Share Plans, you will receive a separate communication in respect of each of these awards or options.

9. What happens if I leave the Dechra Group?

Your Option will normally lapse if you leave the Dechra Group.

If, exceptionally, you leave the Dechra Group in circumstances where your Option does not lapse, you will be able to exercise your Option during the six month (or, if you die, one year) period following the date you leave. Your Option may, therefore, lapse earlier than it otherwise would. You will receive further details if and when this becomes applicable to you.

10. How do I pay the income tax and social security contributions?

Any income tax and employee social security contributions that the Dechra Group is required to deduct will be deducted from the cash consideration payable to you by Bidco for the Dechra Shares you receive on exercise and from the Compensatory Payment (if applicable).

Any other taxes, for example capital taxes, or duties, that may arise in connection with your Option or the Dechra Shares are your responsibility.

11. What happens if I do nothing?

If you do not submit an instruction to exercise your Option via the online portal (or a paper exercise instruction if the portal ceases to be available) so it is received and processed within the six month period after Court Sanction (or any earlier lapse date that applies to your Option), your Option will lapse and you will receive no value for it. If you are resident in Mexico (and your savings are therefore held in trust), your savings will be returned to you.

12. How do I access the online portal?

You can access the online portal at www.DechraShareSchemes.com.

SECTION 2. ACQUISITION SUMMARY

1. How does the Acquisition work?

The Acquisition is expected to be carried out through a process called a "scheme of arrangement". The Scheme has to be approved by Dechra Shareholders and the Court. If you want to read more about this, please go to www.dechra.com/investors/cash-offer on the Dechra website, where you will find the Scheme Document for the Acquisition that was sent to Dechra Shareholders and Participants (for their information only) on 26 June 2023. A copy of this Letter is also available on the same Dechra website.

2. What will Dechra Shareholders receive under the Acquisition?

For each Dechra Share sold to Bidco through the Scheme, a Dechra Shareholder will receive £38.75. However, if any dividend, distribution and/or return of value is proposed, authorised, declared, made or paid by Dechra (or becomes payable by Dechra) in respect of Dechra Shares, Bidco reserves the right to reduce this payment by the amount of any such dividend, distribution and/or other return of value.

3. When will the Acquisition take place?

The date for Court Sanction has not yet been set but, subject to the Acquisition being approved by Dechra Shareholders, Court Sanction is anticipated to occur towards the end of 2023 or early in 2024. Therefore the timing of Court Sanction and the Acquisition completing (known as the Effective Date) cannot be guaranteed and will be announced if and when known.

4. What will happen if the Acquisition does not complete?

If Court Sanction does not occur, or if the Acquisition does not complete for some other reason, your Option will continue unaffected as before (and any election you have made to exercise your Option on Court Sanction will have no effect).
